The following is an examiner's statement of reasons for allowance:

The claims have been determined to be allowable upon further consideration of applicants' arguments (and pre-appeal conference request-now un-necessary) in their 12/18/06 response. The reasons provided by applicants are persuasive as to why the rejection under 35 USC 103 can not be sustained.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Inquiries may be made to Paul Marcantoni at 571-272-1373.
